

1) Is Buckingham Palace the official residence of the Queen?

2) Is Trafalgar Square the geographical centre of London?

3) What is the capital of Great Britain?

4) Where is the Westminster Palace?

5) It's the west ~~end~~ End of the richest of the poorest part

of London. Buckingham Palace is the official residence of the Queen isn't it?

Traditionally London is divided into several parts: the City, Westminster, West End and the East End of London.
